

FIAT SERVICE LETTER

SUBJECT: BELL HOUSING GASKET
 VEHICLES: X1/9 AND 128 MODELS
 ENGINE #: STARTING WITH ENGINE #2.989.293

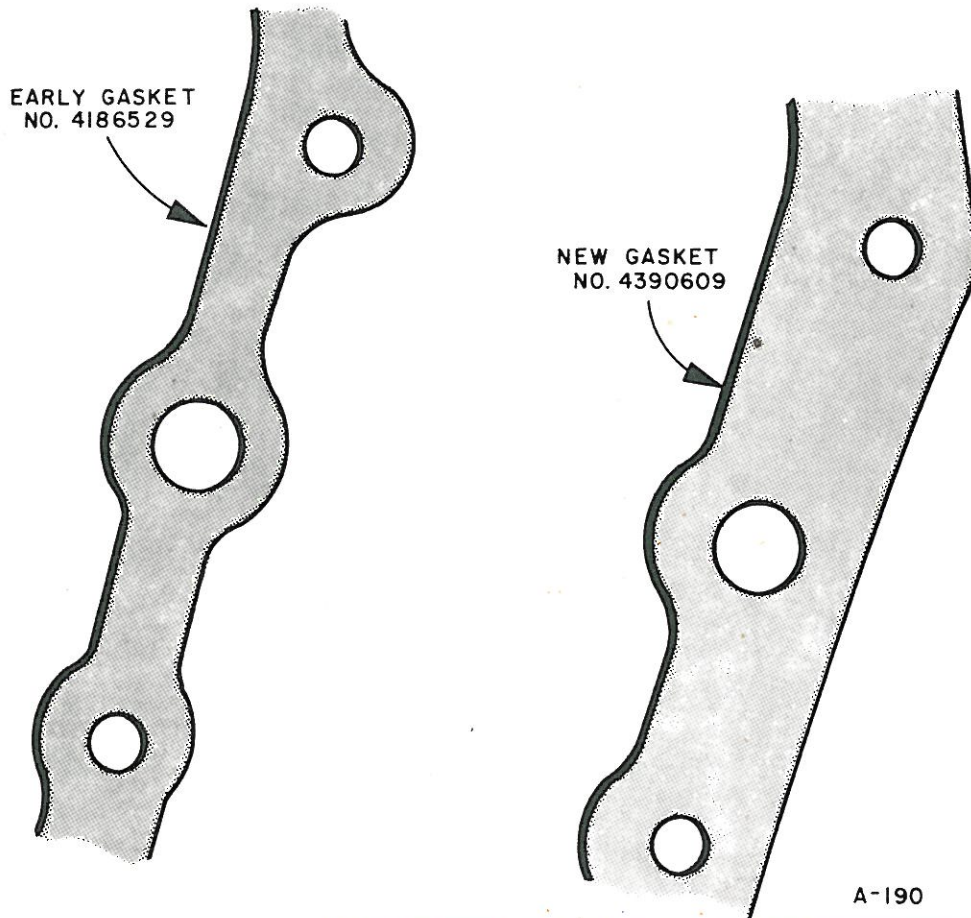

GENERAL INFORMATION

The gasket between the bell housing and transmission case on the above-mentioned models, is wider than the previously installed gasket. (see diagram). This increased width will insure proper positioning of the gasket during installation.

This new gasket can be installed on earlier production vehicles.

PARTS INFORMATION:

The part number for the new bell housing gasket is #4390609.

A-190
