FIAT SERVICE LETTER

SUBJECT: DIGITAL CLOCK (24 HOUR PRINTOUT)

VEHICLES: STRADA AND XI/9 MODELS

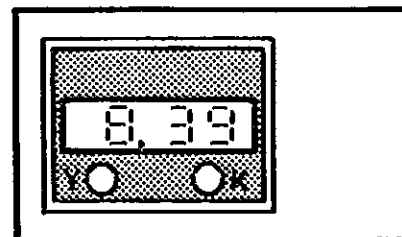

SERVICE

INFORMATION: To properly display or reset the printout on the "24 hour" digital clock, perform the following:

- To display clock printout
 - Turn key in ignition switch to MAR position.
 - Push in left side button of clock (Y in drawing) to display printout in either hours/minutes or minutes/seconds.
- To reset clock printout

Before resetting clock, the printout must be displayed in hours/minutes.

 - Push right side button of clock (K in drawing), only hours will be displayed. To reset, use button Y.
 - Push button K again, only minutes will be displayed.
 - To reset use button Y.
 - Push button K a third time, only seconds will be displayed. To reset, push button Y, which upon release will start seconds computation from zero.
 - Push button K, total desired printout will be displayed.
