

FIAT SERVICE LETTER

SUBJECT: COLD STARTING KITS NOS. 4717, 4718, 4719

VEHICLES: 1975-76 128, 3P and X1/9 MODELS

GENERAL INFORMATION:

The cold starting service campaign for the above-mentioned models initiated in January 1977 for 128 models (service letter #551-22) and February 1977 for X1/9 models (service letter #551-25) has been discontinued.

Therefore the relevant cold starting kits and repair cards, which were utilized in performing this service, are no longer available.

The individual components, supplied in the cold starting kits, can be obtained by ordering the spare parts normally supplied for 1978 models.

WARRANTY INFORMATION:

The submitting of repair cards for performing the cold weather service, including the installation of the cold starting kits or individual components will not be accepted for warranty reimbursement after September 6, 1978.
