

# FIAT SERVICE LETTER

SUBJECT: CATALYTIC CONVERTER REPLACEMENT

VEHICLES: X1/9 - 1975, 1976 MODELS

GENERAL INFORMATION:

The catalytic converter installed on 1975 and 1976 Fiat X1/9's (California models included) must be replaced at 25,000 miles. This replacement is covered by the Emission Control Systems Warranty. The replacement is to be done completely free of charge, parts and labor included, to the owner.

This operation is to be submitted on a Warranty Claim form and will be handled the same way as any other warranty item.
